

THE B-MITZVAH Experience

2024-25

The B-Mitzvah Experience is back again for 6th and 7th graders and their families!

jHUB and @akiva are excited to offer this enrichment journey that can be a standalone experience, or complement a synagogue program or other b-mitzvah experience.

This cohort of students will meet eight times during the school year.

Each session will look at a different area of "adulthood" through a Jewish lens and will meet in various spaces throughout Greater Cleveland.

Please contact Erin Gabay with questions: egabay@jecc.org.
